

# Girls in ICT

# Best in I.T. Game Show

Theme: Digital Skills For Life

**Date** 27th April, 2023 (2:30 - 4:00 PM) at the National ICT Centre, Industrial Site

**Eligibility** Schools are asked to select two (2) secondary school students (1st - 5th form) to enter contest.

**Requirements** 7 questions per round. **1st round** - short answer; **2nd round** - multiple choice; **3rd round** - True/False; **4th round** - **Rapid Fire** (7 seconds to answer)

**Thirty (30) questions** for the first three rounds will be sent to students before the show so that they can revise and learn. The final round will be general knowledge questions that the students should know. Students will not receive the questions for that round.

Must be the same **two (2) students per school** for each round

The first student to press the buzzer will be allowed to answer the questions

The host must be able to complete the entire question before a student can press the buzzer

Students **must** wear complete uniform (NO t-shirts NO jeans)

No profanity

Must be respectful

Students will have the opportunity to seek help using **Lifelines**. Lifelines are "Ask the Audience" and "Make a phone call". Students are allotted two lifelines for the duration of the game show

The winner will receive a prize
